SELF-DISCLOSURE:

To the extent that payments can be returned through the claims payment adjustment process, the claims adjustment process will be followed. Otherwise, providers should send refund checks, made payable to the Division of Medicaid within sixty (60) days of the overpayment discovery.

Please note that self-disclosure will not absolve the provider of criminal culpability.

SUSPENSION OF PAYMENTS

In section 6402(h) of the Affordable Care Act, the Congress amended section 1903(i)(2) of the Act to provide the Federal Financial Participation (FFP) in the Medicaid program shall not be made with respect to any amount expended for items or services (other than an emergency item or service, not including items or services furnished in an emergency room of a hospital) furnished by an individual or entity to whom a State has failed to suspend payments under the plan during any period when there is pending an investigation of a credible allegation of fraud against the individual or entity as determined by the State in accordance with these regulations, unless the State determines in accordance with these regulations that good cause exists not to suspend such payments.

RECOVERY AUDIT CONTRACTORS (RACS) PROGRAM

Payments to RAC contractors for the identification of overpayments will only be made from amounts recovered. Contingency fee rate paid to the Medicaid RAC will not exceed the highest rate paid to Medicare RACs, as published in the Federal Register. f. Audit look-back periods;
