RE: SPA MS 10-006

Dear Dr. Robinson:

We have reviewed the proposed amendment to Attachment 4.19-D of your Medicaid State plan submitted under transmittal number (TN) 10-003. Effective June 30, 2010 this amendment modifies the State's reimbursement methodology for setting payment rates for nursing facility services. Specifically, the amendment provides for State owned and operated Psychiatric Residential Treatment Facilities be reimbursed 100% of allowable cost.

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(13), 1902(a)(30), and 1903(a) of the Social Security Act and the implementing Federal regulations at 42 CFR Part 447. We have found that the proposed changes in payment methodology comply with applicable requirements and therefore have approved them with an effective date of June 30, 2010. We are enclosing the CMS-179 and the amended approved plan pages.

If you have any questions, please call Stanley Fields at (502) 223-5332.

Sincerely

2 Cindy Mann
Director, CMCS

D. Total Rate

The annual rate is the sum of the per diem rate for direct care costs, therapies, care related costs and administrative and operating costs, the per diem property payment, the per diem hold harmless payment, and the per diem return on equity payment.

E. State Owned PRTF's

PRTF's that are owned by the State of Mississippi will be included in the rate setting process described above in order to calculate a prospective rate for each facility. However, state owned facilities will be paid based on 100% of allowable costs. A state owned PRTF may request that the per diem rate be adjusted during the year based on changes in their costs. After the state owned PRTF's file their cost report, the per diem rate for each cost report period will be adjusted to the actual allowable cost for that period.
