PROVIDERS EXCLUDED BY
THE MISSISSIPPI DIVISION OF MEDICAID
FROM PARTICIPATING IN THE MISSISSIPPI MEDICAID PROGRAM
As of October 9, 2017

FOR A COMPREHENSIVE LISTING OF PROVIDERS EXCLUDED FROM RECEIVING
REIMBURSEMENT FOR PROVIDING MEDICARE AND MEDICAID SERVICES NATIONWIDE, SEE
THE OFFICE OF INSPECTOR GENERAL’S WEBSITE AT: http://oig.hhs.gov/fraud/exclusions.asp

The effect of an exclusion (not being able to participate) is:

- No payment will be made by any Federal health care program for any items or services furnished, ordered, or prescribed by an excluded individual or entity. Federal health care programs include Medicare, Medicaid, and all other plans and programs that provide health benefits funded directly or indirectly by the United States (other than the Federal Employees Health Benefits Plan). For exclusions implemented prior to August 4, 1997, the exclusion covers the following Federal health care programs: Medicare (Title XVIII), Medicaid (Title XIX), Maternal and Child Health Services Block Grant (Title V), Block Grants to States for Social Services (Title XX) and State Children's Health Insurance (Title XXI) programs.

- No program payment will be made for anything that an excluded person furnishes, orders, or prescribes. This payment prohibition applies to the excluded person, anyone who employs or contracts with the excluded person, any hospital or other provider where the excluded person provides services, and anyone else. The exclusion applies regardless of who submits the claims and applies to all administrative and management services furnished by the excluded person.

- There is a limited exception to exclusions for the provision of certain emergency items or services not provided in a hospital emergency room. See regulations at 42 CFR 1001.1901(c)
