Beth Porter: “This is Beth Porter with Disability Rights Mississippi. Do you have the Transition plan? I don't have a copy of it. Could you send that to me in an email?”

DOM: “The transition plan is located on the Division of Medicaid website.”

Beth Porter: “Thank you so much. What kind of changes can we see as it relates to the Independent Living Waiver when it comes to personalized services and the kind of services that are personalized for an individual with a disability?”

DOM: “Ms. Porter, as we stated, regarding the procedures for today, this is an opportunity for persons to give comments on our transition plan. The transition plan is located on the Mississippi Medicaid website.”

Beth Porter: “Right. I pulled that up, but it doesn't go into detail about the Independent Living Waiver changes.”

DOM: “On the website there's a -- you have an opportunity to give comments or questions, and if you would like to request additional information, you can log into that site and formally request that information. But this hearing today is an opportunity for people to give comments regarding the transition plan. We're not -- we're recording all the comments for review.”
