Transition Plan for the 1915(c) Independent Living (IL) Waiver

Posted September 17, 2014

Based upon the State's assessment of the HCBS settings in the 1915(c) Independent Living (IL) waiver, the State confirms that services in this waiver are rendered in a home and community setting. Waiver participants reside in private home dwellings located in the community. This waiver does not provide services to participants in either congregate living facilities, institutional settings or on the grounds of institutions. Therefore, no further transition plan is required for this waiver.
