The Mississippi Division of Medicaid responsibly provides access to quality health coverage for vulnerable Mississippians.
Covered Services continued...

✓ **Home delivered meals** are well-balanced meals delivered to your home if you are unable to leave without assistance, unable to prepare your own meals, and/or have no responsible caregiver in the home.

✓ **In-home respite services** are provided if you cannot be left alone or unattended. It provides non-medical care and supervision/assistance if you are unable to care for yourself in the absence of your primary full-time, live-in caregiver(s) on a short-term basis. Services are rendered to provide assistance to the caregiver(s) during a crisis situation and/or scheduled relief to the primary caregiver(s) to prevent, delay or avoid premature institutionalization.

✓ **Institutional respite services** are provided if you cannot be left alone or unattended. It provides non-medical care and supervision/assistance if you are unable to care for yourself in the absence of your primary full-time, live-in caregiver(s) on a short-term basis. Services are rendered to provide assistance to the caregiver(s) during a crisis situation and/or scheduled relief to the primary caregiver(s) to prevent, delay or avoid premature institutionalization of the participant. Institutional respite services are provided in a hospital, nursing facility, or licensed swing bed facility by the facility staff.

✓ **Community Transition Services** are provided if you currently reside in a nursing facility and wish to transition from the nursing facility to the Elderly and Disabled Waiver. This is a one-time assistance of initial expenses required for setting up a household.

✓ **Personal care services** are non-medical support services to assist you in meeting daily living needs and ensure optimal functioning at home and/or in the community. Services include assistance with eating, bathing, dressing, personal hygiene, and activities of daily living. Meal preparation and housekeeping chores may be provided if the care is essential to your health and welfare rather than your family. These services may also involve accompanying and assisting you in accessing community resources and participating in community activities; supervision and monitoring in your home, during transportation, and in the community setting.
